

El Camino Film Program Series Goes on Tuesday

Six films will be shown in the fourth program of the current lecture-film series sponsored by El Camino College Tuesday evening at 8 o'clock.

Sponsored as a public service, the program will be held in Room 8 of the Administration Building, located on Crenshaw, between Redondo Beach and Manhattan Beach Blvds.

John Hartley, a member of the English Department at the college, is the sponsor of the lecture-film series.

Pictures to be shown Tuesday evening include "Wheelchair Scholars," a film which tells the story of paraplegics who attend college; "Symphony Orchestra," which demonstrates the use of the various instruments of the orchestra and how they combine for various musical effects, and "Pups and Puzzles." The latter film demonstrates the process of learning by animals.

Rounding out the program are "Motor Mania," a humorous cartoon on traffic safety; "Sculpturing is Fun," which instructs viewers on how to do soap carving; and "Lincoln Speaks at Gettysburg." The final film recreates the events leading up to the Gettysburg address by utilizing contemporary engravings and drawings.

Hospital Staff To Honor Seven Pioneer Doctors

The entire staff of Torrance Memorial Hospital will gather Tuesday night at the local Woman's Club to honor a group of seven doctors for 25 years of staff and civic service.

The doctors to be honored, who form a part of the original nucleus of the first organized staff of the hospital, are Norman Leake, Torrance; F. H. Racer, Lomita; A. F. Stevenson, Torrance; Russell Shea, Mayor of Redondo Beach; Ernest J. Butt, Redondo Beach; William J. Eckert, Rolling Hills; and Henry C. Smiley, Hermosa Beach.

A dinner will be held at the Woman's Club to honor the seven doctors.

New Telephones Installed Here

Since Jan. 1 more than 450 new telephones have been added in the exchange area covering West Torrance, Manhattan Beach, Palms Verdes, Hermosa Beach, Rolling Hills and Redondo, H. C. Vaupel, local manager for General Telephone Company of California, said recently.

There were 30,819 telephones in service in this area on Dec. 31 of last year. During the month of January, 312 new telephones were added and nearly 180 additional had been placed in service by Feb. 20 or a total of 31,271 in the local system as of that date.

The company is busily engaged in a \$2,500,000 construction program to expand and improve service in 1954 in the local area, Vaupel added.

POWER SUPPLY

Almost 90 percent of all the farms in the United States have electric power available, recent surveys show.

TYPHOON RAINS

During a recent typhoon in the Philippines, a total rainfall of about 88 inches was recorded in four days.

New Army, Air Force Recruiting Office To Open at Post Office

The Army and Air Force Recruiting Service in San Pedro announced this week that a new Branch Office will be open at the Post Office Building in Torrance, effective tomorrow.

The new facilities will be available to interested applicants of the Torrance and Beach areas for their convenience.

M/Sgt. Jack H. Amberson, U.S. Army & U.S. Air Force representative, plans on being present at the Post Office Building each Monday and Wednesday. M/Sgt. Amberson has been a resident of the Los Angeles Harbor Area for almost 30 years and is well known in most local communities.

During his 12 years in the Armed Forces he has seen duty

in the South Pacific during World War II, and in Alaska. Sgt. Amberson is a veteran of more than six years service in the U.S. Navy, and six years service in the U.S. Army, so he is particularly well qualified to assist young men with their service problems and in aiding them in wisely selecting a future career in the Army or Air Force.

Office hours at the new Recruiting Station will be from 9:30 a.m. until 3 p.m. each Monday and Wednesday.

COAL STATUS
The U.S. uses about three tons of coal per person a year.

Torrance Students Enroll At Whittier For Spring
